R-Line™ Workplace and Recreation Isotonic Hydration Activity Drink

Are you working too hard, too long, or too much? Or maybe looking for an electrolyte drink that packs a punch but doesn't have all the unnecessary sugar and carbs of a typical isotonic sports drink?

R-Line™ Activity Drink is an isotonic electrolyte drink that has been specifically formulated for lower intensity activities like work and recreation. Made in NZ for New Zealanders!

Perfect for hard working builders, electricians crawling around roof spaces, and those covered in PPE from hard hat to steel caps. R-Line™ Activity Drink is also perfect for your drink bottle on a long trek or kayak fishing mission.

R-Line™ is made with multiple carbohydrate sources and natural essences for an energy boost that's easy to stomach. R-Line™ is also gluten free.

4 Great Tasting Natural Flavours!

Over 35% less sugars, and more total electrolytes than other leading brands.

1L Concentrate, makes 10L

"KNOW IT ALL"

PERFECT ADDITION

to any Lubrication Programme

- ✓ proper identification of grease
- ✓ eliminates cross-contamination
- ✓ visibility of air pockets
- ✓ visibility to remaining grease
- ✓ eliminates risk of mixing greases

The 'KNOW-IT-ALL' Programme of Clear tube equipment from Groz makes you 100% sure of what you are dispensing; ensuring you don't make costly mistakes that cannot be reversed.

Different equipment, machines, bearings & vehicles require different types of lubricants. Proper identification of the lubricant once installed in the equipment can be challenging.

An estimated 60% of bearing failures all over the world are due to lubricant cross contamination. This leads to costly downtime & expensive machinery repairs.

Switch to 'KNOW-IT-ALL' & you have a simple & cost effective means to prevent this.

\$115.00

What type of handle BITS DRIVER do I need?

The larger type of handle allows for more power and force to be executed with the driver.

The smaller type of handle make it easier to work quickly as less force is required with the driver.
